October 17, 2024

Dear Warren Glen Academy Parents/Guardians:

Our annual Halloween activities will take place on Thursday afternoon October 31st. Individual classes have planned activities for your child to enjoy. Your child's homeroom teacher may provide further details pertaining to the activities planned.

Provisions will be made for your child to change into costumes after lunch. **For the safety of our students and staff, we ask that toy weapons such as guns, swords, knives, nunchakus, and other such items not be brought to school.** Additionally, please label your child's costume. We are not responsible for lost items. **We strongly suggest a costume your child can handle with ease and with little assistance.**

Wishing you a safe and enjoyable Halloween. Happy Halloween!

Sincerely,

Dr. Randy Pratt
Executive Director
