September 25, 2025

Hello Warren Glen Academy Parents/Guardians,

Each year we facilitate a learning assessment of our students through the New Jersey Department of Education and the administration of the NJSA in English Language Arts, Mathematics, Reading, and Science.

From October 27 – November 14 we will administer the New Jersey Student Learning Assessments (NJSLA) for English Language Art (NJSLA-ELA), Mathematics (NJSLA – M) and Science (NJSLA-S). Specific grade level and subject areas to be assessed are identified below.

These assessments are a statewide initiative and will be administered online in our technology lab. Students will participate in practice testing in our technology lab to become familiar with the components necessary to take the test using the computer.

During the testing administration individual testing accommodation will be made as per your child's IEP.

The Dynamic Learning Maps Assessment is a field test only, and it is not diagnostic.

Results will not be reported nor available to schools.

Parents who choose to have their students opt out of the field test must do so in writing by October 20, 2025

(NJSLA) Language Arts Assessments will be administered to grades 4 - 10

Mathematics grades 4 – High School

Graduate Proficiency Assessment – (NJGPA) – Grades 11 and 12

There will be no testing on November 4, 6, 7, 11

Sincerely,

Fran Corl – Executive Director
