Dear parents and guardians,

Our community at Warren Glen Academy sadly wishes to inform you that Joan Holland, our nurse, has unexpectedly passed away.

Our community is deeply saddened by Joan's passing.

Joan dedicated her nursing service and support to the students at Warren Glen Academy for many years.

We would like to assure you that safety, first aid and medical care will be provided here at school by our substitute nurse who is a professional nurse.

We will also provide support through our counselling service to any student who is feeling sad by this news from our social worker, Mrs. Healey.

Additional support for students can be provided by contacting the Traumatic Loss Coalition.

Should you feel that your student is having a difficult time with this sad news please keep us informed or call Traumatic Loss Coalition at:

(908-454-4470 or 908-235-1347 - Annette Smith).

Thank you,

Frances Corl – Director, Warren Glen Academy
