

Dear Parents and Guardians,

My name is Nikki Kulanko and I am so excited to introduce myself as the new school nurse at Warren Glen Academy! I'm truly looking forward to meeting your children and becoming part of this wonderful school community.

I graduated from Moravian College in 2017 with a bachelor's degree in nursing. I began my nursing career on an acute rehabilitation unit, focusing on patient recovery from severe accidents and illnesses. I then spent almost nine years as an oncology nurse, helping patients and their families navigate cancer diagnoses and treatment.

As a mother myself, I understand how important it is to know your child is safe and cared for during the school day. My goal is to create a welcoming space where students feel comfortable and supported.

I believe that communication is key. If your child has any medical needs, allergies, or concerns, please don't hesitate to reach out. I look forward to working together to ensure a safe and healthy school year for all students.

Warmly,

Nikki Kulanko RN BSN

School Nurse
