Dear Families,

Warren Glen Academy is committed to ensuring that all our students start the day with a nutritious breakfast. This is why we are excited to inform you of our participation in the Breakfast After the Bell program, a part of the School Breakfast Program.

What is Breakfast After the Bell? Breakfast After the Bell is a food service model that offers breakfast after the start of the school day instead of before. Students will have an opportunity to eat breakfast during the beginning of class while their teachers take attendance, collect homework, or begin lessons as usual.

Why are we implementing Breakfast After the Bell? Serving breakfast after the bell gives more students the opportunity to eat breakfast at school. It removes common barriers our students may face and allows all students to start their day ready to learn. Studies have shown that access to school breakfast can positively impact student attendance, behavior, and academic performance.

When is breakfast? The school day begins at 8:15 am, and breakfast is served after the bell from 8:15 am to 8:45 am. Breakfast will be available to students {type of service – delivered to the classroom} during these times.

What is served for breakfast? School breakfast always includes milk, fruit and whole grains or meat/meat alternates. Even though breakfast items provided to students at school sometimes look like the same breakfast items found in stores, school breakfast items have more whole grains and less sugar, sodium, saturated fat and calories. School menus can be found at www.WarrenGlenAcademy.com under menu tab.

Free and Reduced-Price Meals

How to Pay Payments may be made by:

- **Cash**
- **Check payable to Warren Glen Academy**

There are two convenient ways to purchase meals:

Option 1 – Monthly Calendar

Each month, a lunch and breakfast calendar will be provided. You may review the calendar and **circle the days your child would like breakfast and/or lunch**. Please return the calendar with payment for the meals selected.

Option 2 – Purchase 10 Meals at a Time

You may also choose to purchase **10 meals at a time**. Your child can use those meals whenever needed; the meals **do not have to be used on consecutive days**. Once the 10 meals have been used, you may send in payment for another 10 meals.

This option provides families with flexibility and eliminates the need to send payment each day.

We hope these options make our meal program convenient and easy for your family. If you have any questions regarding the breakfast or lunch program, please contact the Warren Glen Academy office.

Thank you for your continued support of Warren Glen Academy.
